## 2. Report on Plantation Activities (2016-2021)

Plantation drive on a huge scale is needed to reverse the process of tree cover degradation. Educational institutes should facilitate the planting of trees by students. They should make planting trees and shrubs an attractive plan for students by providing the animate space where plantation can happen. A tree plantation drive was held in the college premises every year. The dual objectives of this drive were to enhance the tree cover on the campus and to sensitize the students towards importance of trees.

*Staff and Students were present on occasion of plantation dated 1<sup>st</sup> July, 2016*

*NSS students in plantation program*

*Staff, Students and Guests were present on site of plantation dated 1<sup>st</sup> July, 2017*

*Teaching, Non-Teaching staff and Nagar Panchayat workers during the cleanliness rally 16<sup>th</sup> July 2018*

## 7. CORONA PANDEMIC AWARENESS (2020-2021)

Coronaviruses are a large family of viruses, some cause illness in humans, and others cause illness in animals, such as bats, camels, and civets. Human coronaviruses cause mild illness, such as the common cold. Severe acute respiratory syndrome (SARS) is a viral respiratory illness caused by a coronavirus, called SARS-associated coronavirus (SARS-CoV). Previous Coronaviruses have included SARS-CoV and MERS-CoV. Severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2) is a new strain of coronavirus that has not been previously identified in humans.

Our college has taken initiative for awareness of Corona during pandemic. Programmes like quiz, distribution of mask, distribution of fruits and vaccination camp, beat Covid campaign were organized.
